**Re:** Safe Sport Website Launch  
**Bulletin ID:** 22-26

---

In alignment with the new Hockey Canada Discipline and Complaints policy, the Ontario Hockey Federation has created a Safe Sport page on our existing website for parents to submit their complaints directly to the Hockey Canada Independent Third Party.

The Hockey Canada Discipline and Complaints policy as well as the reporting process can be found here: [www.ohf.on.ca/safe-sport/reporting](http://www.ohf.on.ca/safe-sport/reporting)

The OHF requests that Members place a direct link to the [Safe Sport Reporting](#) page on their own website with Hockey Canada ITP artwork or if an existing safe sport suite is currently available on your website, please update it with the Hockey Canada ITP artwork and reporting process information provided from Hockey Canada. We also ask that Members send out the new reporting information to associations at your earliest opportunity.

All information, policies and Hockey Canada collaterals that are relevant to the Independent Third Party are available in the [Hockey Canada Operations Portal](#).
