REGISTRATION, EVALUATIONS & OTHER PROGRAMS

Streetsville Hockey League House League Evaluations are set for **September 20th & 21st**. These help us form balanced teams, so please ensure your player is registered and available. **House League registration is still open**, but spots are limited—register soon to secure your place.

Also open: **Pre-Season Camp, Learn to Skate, and Stick & Puck** programs. These are great for extra ice time and sell out quickly.

COACHES & VOLUNTEERS NEEDED!

Love hockey? **Streetsville Hockey is looking for volunteer Head Coaches, Assistant Coaches, and Trainers** for the upcoming season. All certification and training costs are fully covered by the league. We especially welcome **former players and community members** who want to get involved—even if you don't have a child in the league. It's a great way to stay connected to the game and make a difference. Visit our website to apply or learn more!
