

# STREETSVILLE HOCKEY NEWSLETTER

THE  
**VIC**  
STREETSVILLE ARENA

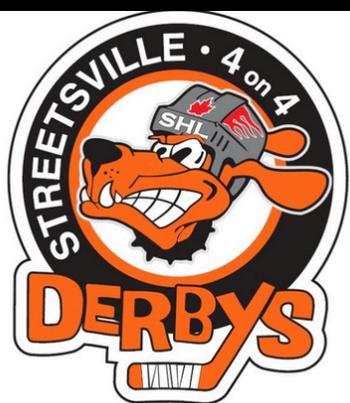

March & April 2026

## 4 ON 4 REGISTRATION STILL OPEN, SOME DIVISIONS FULL

Registration is open for our 4 on 4 Hockey Program, designed to maximize puck touches, skating, and game awareness in a fun, fast-paced environment. Limited space remains in our U9 and U11 divisions, and new this year we are excited to offer a U9 Girls division.

Our 4 on 4 format focuses on small-area play, quick decision-making, and increased ice time to help players improve skating, puck control, and overall confidence with the puck.

Contact [info@streetsvillehockey.com](mailto:info@streetsvillehockey.com) for details and registration information.

Our Spring Skill Development Program returns for 2026, giving players the opportunity to sharpen their skills in a focused and high-tempo environment. Designed to improve skating, puck control, passing, and overall hockey IQ, the program emphasizes repetition, technique, and confidence with the puck. Open to a range of age groups and skill levels, it's a great way for players to continue developing and stay game-ready throughout the spring season.

## DID YOU KNOW?

Streetsville Hockey offers year-round development opportunities, including 4 on 4, Skill Development, and Learn to Skate programs. Our goal is to keep players on the ice, improving and having fun in every season!

## STREETSVILLE DERBYS COMPETITIVE PROGRAMS – TRYOUTS START IN APRIL

Ready to take the next step? Our Streetsville Derbys Competitive Program offers players the opportunity to compete at a higher level with experienced coaches and strong development pathways from U7 through U17. Tryouts for the 2026–2027 season are starting in April, and we encourage players to review team and coaching details online. Visit [streetsvillehockey.com](http://streetsvillehockey.com) for full tryout information and registration details.
